Well, actually, the situation isn't that bad...

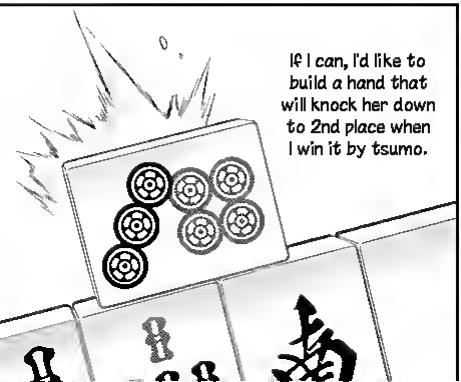
I wonder if I should resign myself to finish in 3rd place,
while scoring a direct hit on Bonkohara-san to knock her down to 2nd place.

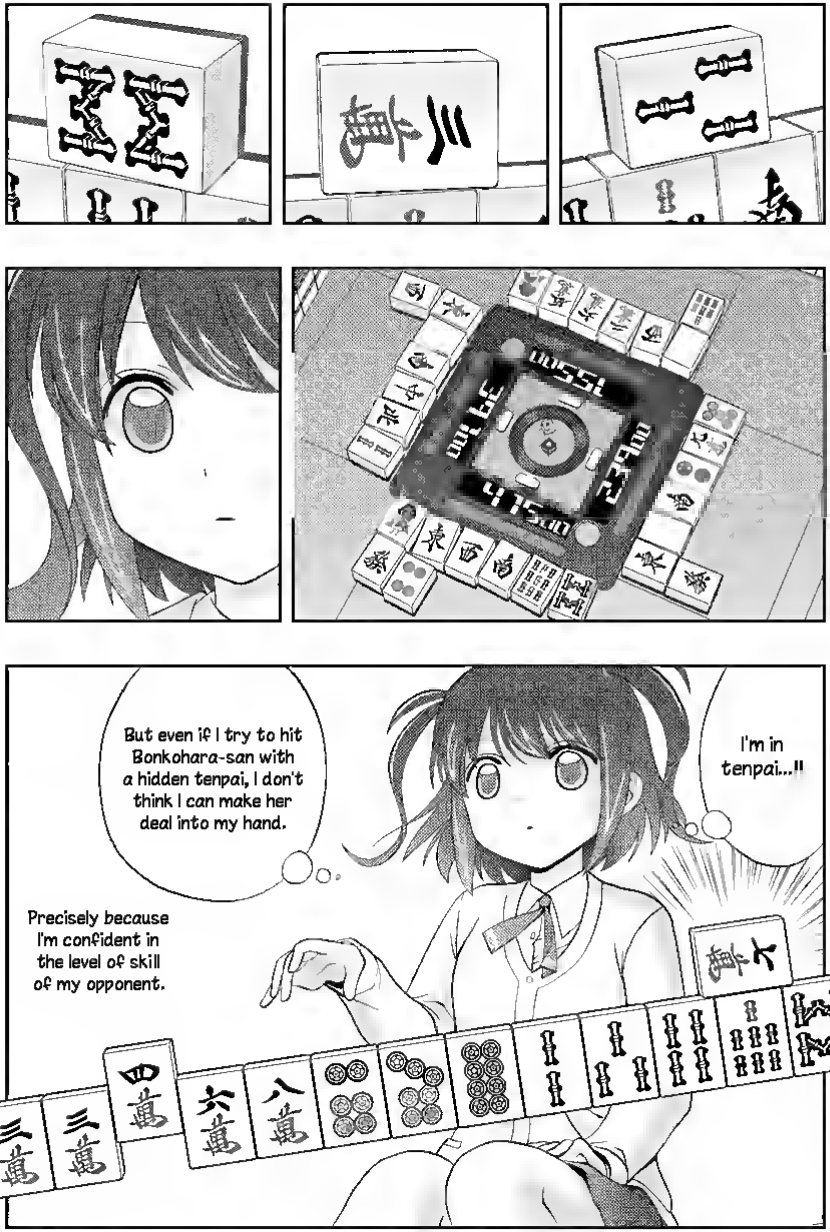
You think I'm gonna deal into your hand?

But...



If I can, I'd like to build a hand that will knock her down to 2nd place when I win it by tsumo.
南

It doesn't look like she's going to deal into my hand that easily.



But even if I try to hit Bonkohara-san with a hidden tenpai, I don't think I can make her deal into my hand.
I'm in tenpai...!!
Precisely because I'm confident in the level of skill of my opponent.
